To whom it may concern,

Rotaract is an organization of young adults of different professional and educational backgrounds, its work is based on community service.

Mr. Miaari is one of the friends of the club that has always been committed, well prepared, great presence, a team worker and a great leader lies in him.

His work in Rotaract reflected in a great way to our community, and his fellow friends, hence he was picked to join a leadership program of 4 days. From 23rd to 26th of March 2017.

This gave him a great boost to keep on giving his best as a volunteer and give without return.

We hereby state that Mr. Sami Miaari, has worked voluntarily with us for the past two years, we have seen all good and nothing but that from him. We wish to accept this letter of recommendation from us.

This letter was issued upon Mr. Miaari's request, please send an email for further verification if needed.
